

Delightful Health Solutions

We are an American Indian company with establishments in India and USA.

Xania is a symbol of Synergistic strength, founded by four senior healthcare professionals with experience in formulation research and development, Quality Assurance & Control, International & Domestic Indian Business and Supply Chain Management.

Collective work experience of over 100 years.

Nutrition for disease prevention, with a focus on compliance.

Specialized in nutritional & dietary supplements that are presented in the form of tasty gummies and effervescent tablets to aid compliance to nutrition & thereby commitment to good health.

Formulated in such a way that Kids and Adults both love to have them.

Manufactured at licensed sites audited by the regulatory authorities for GMP and FSSAI.

The manufacturing units are located in the United States of America, Europe and India.

All the products are assured for best quality owing to the stringent International quality standards.

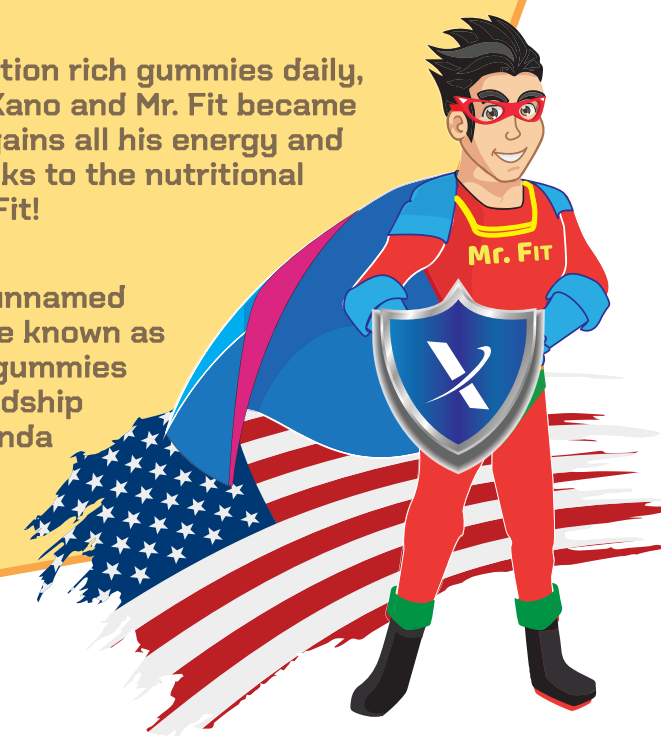

Xania is poised to export their products to over 20 international markets across Asia, CIS, Gulf, Latam & Africa

The XANO FIT Story

A panda named Xano was averse to eating healthy food. A small boy, Mr. Fit from USA introduces Nutrition rich tasty Gummies to Xano.

Xano started taking the nutrition rich gummies daily, becoming energetic and fit. Xano and Mr. Fit became inseparable friends. Xano regains all his energy and his laziness disappears. Thanks to the nutritional gummies given to him by Mr Fit!

Henceforth, those unnamed gummies became to be known as the XanoFit Junior gummies to mark the friendship of Xano the Panda and Mr Fit.

Strong Bones, the Foundation of Fitness

- Calcium and Vitamin D is necessary for healthy bones.
- Vitamin D: Necessary for absorption of calcium and phosphorus in the body.

Vitamin D helps the body absorb calcium and phosphorus which is important for building and keeping strong bones.

In conditions such as:

- Osteoporosis, Osteomalacia/rickets
- Hypoparathyroidism
- Latent tetany
- Pregnancy
- Post-menopause in women
- Lactation
- Recovery from trauma

Helps to prevent low blood calcium levels in people who do not get enough calcium from their diet.

Maintains bone health by re-mineralization.

Prevents Vitamin D and calcium defciency.

Strengthens teeth.

 - ✓ Nutritious soft drink

Glutathione helps tissue building and repair by synthesizing chemicals and proteins required for the body.

In conditions such as

- Alcoholism
- Asthma, cancer, heart disease
- Hepatitis, liver disease
- Memory loss, Alzheimer's disease, osteoarthritis & Parkinson's disease.
- Diseases that weaken the body's defense system (including AIDS & chronic fatigue syndrome)
- Cataracts & glaucoma
- Atherosclerosis and high cholesterol

Glutathione Plays a very important role in helping to provide support

Has a synergistic effect in combination with Vitamin C

Role of Vitamin C

- Helps increase glutathione levels by attacking free radicals first, thereby sparing glutathione. Helps reprocess glutathione by converting oxidized glutathione back to its active form
- Powerful antioxidant

Storage:
Store in cool & dry place.
To avoid degradation replace the cap tightly after use.

Ensure Rich Health,
Vigour & Vitality for
Entire Family
